

Airport Operations

Metropolitan Airport Authority of Peoria

Peoria, IL

Full-Time

General Description:

Start your aviation management career at an airport that experiences every aspect of aviation: airline, corporate, GA, cargo, and military. At Peoria International and Mt. Hawley, you'll join the team at a record setting, growing airport. This position ensures regulatory compliance for airport operations and security; conducts safety, security inspections; coordinates with police, ARFF and other emergency personnel during incidents; conducts SIDA and FAR139 required training for tenants and employees; coordinates and assists with snow removal operations. The position requires a bachelor's degree in Aviation Management or a related field or equivalent combination of education and experience. Starts at \$19.00 per hour working four 10-hour shifts; base pay will increase automatically for next 3 years.

Required Knowledge, Skills and Abilities:

- Bachelor's degree with major course work in airport management, or equivalent combination of education and experience
- Some flight training considered beneficial
- Considerable knowledge of principles and practices of airport operations and management
- Knowledge of local, state and federal rules and regulations governing airports, current issues and development in airport industry
- Knowledge of airport maintenance
- Ability to apply good judgement in emergency situations
- Ability to analyze situations quickly and objectively to determine and implement a proper course of action
- Speak and write effectively and communicate clearly on the telephone and two-way radio
- Establish and maintain effective working relationships with airport employees, representatives of other agencies and the general public
- Must possess or be able to obtain a valid IL Drivers' License and Firearm Owner ID card
- Successful candidate must be able to pass a pre-employment physical exam, and drug screen

To Apply for this job: fill out an employment application and email to the Director of Airports at golson@flypia.com. Or you can drop it off in the MAAP Administrative Offices.
