METROPOLITAN AIRPORT
AUTHORITY OF PEORIA

Building Maintenance Technician — Peoria, IL

General Wayne A. Downing Peoria International Airport — Full Time

General Description:

Building Maintenance Technicians are responsible for accomplishing day to day routine interior and exterior maintenance of the terminal building and other structures owned by the Airport Authority. This position involves various shifts and days off. This position also performs snow removal around the terminal and other Airport Authority owned structures; routine equipment maintenance, such as changing filters, lubrication and inspection, collection of samples and conducting tests; routine data handling, including maintenance of meter readings, updating charts, and recording information; routine maintenance and repair of plumbing and electrical systems; operate and maintain heating, ventilating, and air conditioning systems; remove, install, recondition and repair equipment, such as: pumps, valves, controls, pipes and plumbing; motors, blowers, and electrical systems; hydraulic and pneumatic doors and controls; service, test and adjust equipment, meters and instruments; maintain order, cleanliness and safe working conditions in the Shop and Boiler Room; perform related duties as assigned.

Desired Skills:

- 2 Years of building maintenance experience (preferred)
- Knowledge of methods, materials, and equipment used in building/facility maintenance
- Skilled in proper operation and maintenance of building/facility maintenance vehicles, tools, equipment and machinery
- General knowledge of mechanical and building trades skills and capabilities
- Mechanical aptitude and ability to learn maintenance systems
- Ability to learn and follow standardized procedures
- Understand and follow oral and written instructions
- Interpret shop drawings, plans and specifications

Requirements:

- High School Diploma or Equivalent
- Valid IL Driver's License
- Pass a background check, pre-employment physical exam, and drug screen
- Maintain high levels of mobility, climb ladders, and lift heavy objects
- Work duties require exposure to and use of chemical compounds for cleaning, lubrication, and other tasks which may be hazardous and cause injury if specific instructions regarding their mixture, application, use and disposal/storage are not properly followed.

This position starts at $20.00 per hour, is 7:00am - 3:30pm, Sunday-Thursday, and reports to the Building Maintenance Supervisor.
